7th Annual Benefit Ride / Fundraiser Event **Hosted by Bikers for Christ**

Teen Challenge is a dynamic organization that provides not only help, but hope for men, women, and youth who have found themselves caught up in a destructive lifestyle of drug and alcohol abuse. Thousands of individuals with life-controlling problems have found freedom from a life of despair through the help of Teen Challenge.

Bikers for Christ will be hosting their 7th Annual Bike Benefit Ride for the Tri-County Teen Challenge on Saturday, June 12th, 2010. There will be a great barbecue, live music, silent auction, raffle prizes and vendors at the end of ride at Teen Challenge.

This fund-raising event gives us an opportunity to share with the community the success of this life-saving program. In addition, this event helps to raise the funds needed to provide the program at no cost to those who desire to change and cannot afford it.

Please consider helping us with a donation of one or more items for the silent auction, raffle, or a monetary donation to help with the cost of putting on the event. Your generosity is very much appreciated! Many lives have been changed with the help received from genuine and caring people like you.

Please call Pam Daehler at Teen Challenge or Spike, with Bikers For Christ with any questions regarding pick up of items for the event or where you can drop them off. - *Thank you*
